ALBUM ORDER GUIDE 2019

Leather Album

***+$160** for 8x8 albums, **+$240** for 12x12 albums*

We use 100% natural, Italian leathers that are selected for their texture, strength, and durability. The distressed leathers enchant with their rugged beauty, while our colored leathers are supple and luxurious.

Linen Album

INCLUDED

The layered weaves of the linen highlight the craftsmanship and beauty of our albums. These linen albums dazzle with their many colors, while the Japanese silk albums offer an air of sophistication. Fine Linen (+ $60) has a large weave with a pronounced texture. Select Linen has a delicate weave with a parallel texture. Japanese Silk has a soft, sleek texture that is natural to the smooth fibrils of silk.
